

THE TWISTED CEDAR

Policies & Procedures Contract

Things to Consider

- Twisted Cedar is available to rent by the night and also for a day!
 - Please be aware that while being deep in the valley creates a beautiful vista, cell phone reception is very unreliable. We do offer a landline for local calls & emergencies.
 - The Twisted Cedar is located on a scenic and rustic stretch of the Volga River. To the rear of the property is a bluff which overlooks the river. You are advised that the bluff could be dangerous if you or any of your children go down it. You should also make sure that you properly supervise your children as the drop off is quite significant. Descending the bluff is not recommended.
